

"I went to a Divorce Options™ workshop before my divorce was filed. The workshop gave me the tools I needed to manage the divorce better. In choosing our divorce process, even when we disagreed, I felt as if my ex-wife and I had more control over how to make decisions affecting each of us and the futures of our children..." - Leslie B.

"The presenters struck a pitch perfect balance of empathy and pragmatism. Really appreciated their sensitivity and candor..." - Joe S.
